

SPONSOR THE MED&X ACCELERATOR

Fund the bridge between Croatian and *global biomedicine*

The Accelerator places Croatian medical students, young scientists, and young physicians inside the labs and clinics of world-leading institutions. They return with frontier skills and lasting ties. Croatia gains a generation fluent in how the best institutions work; host teams gain motivated researchers and a durable link to Croatia. Sponsors fund the bridge, and put their name on it.

— WHY SPONSOR

A gift that travels home, and *keeps building*

Each placement is a two-way connection. Your support sends a talented young person abroad, and brings their skills, methods, and collaborations back to Croatian hospitals, universities, and labs.

For a sponsor, this is unusually direct philanthropy. You can see exactly who you funded, where they went, and what they brought home. Recognition is specific too: a fellowship can carry your name inside a world-leading host lab or clinic, and your support is visible across Med&X and at the Plexus Gala.

Direct, visible impact

You fund named people, not an abstract programme. A short report comes back from the fellow you sent.

Recognition that means something

Your name sits beside leading institutions and a respected biomedical community in Croatia and abroad.

A bridge that lasts

Placements grow into co-authored work, return invitations, and openings that link Croatia to the world for years.

SPONSORSHIP TIERS

Choose how far you want the *bridge* to reach

Three ways to back the Accelerator, from a single named fellowship to a multi-year endowment. Every tier sends real people to real labs, and every euro keeps the programme open to talent that money would otherwise hold back.

Tier 01

Fellowship Sponsor

Sends one student abroad for a summer, as your named fellow.

EUR **1,000**

Funds one named placement

- ☐ One **named placement**, for example "The [Your Name] Fellow at Harvard"
- ☐ Named on the **Accelerator page** as a supporter
- ☐ A **report back** from your fellow at the end of the placement

Tier 02

MOST POPULAR

Cohort Partner

Backs a full Accelerator cohort, training the next generation as a class.

EUR **5,000**

Backs an entire cohort

- ☐ A **named programme** for the cohort you back
- ☐ Your **logo on Accelerator materials**
- ☐ **Recognition at the Plexus Gala**, in front of biomedical leaders from Croatia and abroad
- ☐ Everything in Fellowship Sponsor, across the cohort

Tier 03

BESPOKE

Lead / Endowing Partner

A multi-year named fellowship that sets the bridge in stone.

Bespoke

Let's talk · from EUR 25,000

- ☐ Name a **recurring fellowship** that runs year after year
- ☐ **Premier recognition** across everything Med&X does
- ☐ **Partnership reporting**, tailored to what matters to you
- ☐ Designed together, on your terms
