An evening with the people who lead the world's medicine

Partnership puts your institution in the room — and on the programme.

The Plexus Gala Evening exists to foster cross-border collaboration between Croatian medicine and science and the world's leading institutions — bringing the foreign and domestic leaders of medicine into one room for a single evening. Partnership places your institution at the heart of it.

Five ways to stand beside the room

Every tier places your name within the room. The steps differ in how prominently, how personally, and for how long — each handled with the restraint the room expects.

I	Supporting Partner Your logo in the programme and on the website, recognition as a named partner, and two gala tickets — the simplest way to be counted among those who made the evening possible.	♦ Your place in the room	€3,000 2 GALA TICKETS INCLUDED
II	Associate Partner Everything in Supporting, plus your logo on the main screen before all 150+ leaders, and four gala tickets. Your name moves from the page to the room itself.	♦ On screen before 150+ leaders	€5,000 4 GALA TICKETS INCLUDED
III	Leadership Partner FIVE AVAILABLE Everything in Associate, plus a table branded in your name among the leaders, a branded photo booth, a partner message in the programme, and six gala tickets. The first tier where you host, not only appear.	♦ Your table among the leaders	€10,000 6 GALA TICKETS INCLUDED
IV	Strategic Partner LIMITED TO THREE Everything in Leadership, plus an educational session supported by you, a 60-second film on the main screen, an intimate gathering with the speakers, your branded table upgraded to a VIP position, and year-round Med&X partner status — your name carried across the 2027 Accelerator and Conference. Eight gala tickets.	♦ Your moment on the Plexus stage	€15,000 8 GALA TICKETS INCLUDED
V	Title Partner ONE ONLY Everything in Strategic — and then a category apart. The Gala in your name with sole title billing, top placement on every surface, your branded table front & centre, stage remarks, and year-round Title Partner of Med&X status. Ten gala tickets. ♦ EXCLUSIVE · OVERALL CATEGORY LOCK	♦ The evening, in your name alone	€30,000 10 GALA TICKETS INCLUDED

Category exclusivity — at the mid-tiers we hold one pharma, one bank and one medtech place. The Title Partner carries an overall lock, so no competitor appears at any tier.

Full benefits are compared, tier by tier, on the following page.

Proceeds advance the future of Croatian medicine — the Plexus Fellowship, the 2027 Accelerator and Plexus Conference, and the bridges between Croatia and the world’s leading institutions. On 4 December, an invitation-only Donor Night gathers a select circle of leaders and supporters with our keynote speakers to further this work — partners are welcome to help present it.
