

Put your name in the room where *biomedicine's next leaders* meet.

Plexus is a networking-first conference for the next generation of biomedicine. The room is small on purpose: the 2026 edition is capped at 100 seats. Partnering puts your organisation in front of young physicians and scientists from Croatia and abroad, with real access rather than a logo lost in a crowd.

2026 FOCUS: AI IN MEDICINE

WHY SPONSOR PLEXUS

A focused audience, a *mutual* return.

Plexus connects Croatian and global biomedicine in both directions. Sponsors gain early visibility with the people who will define the field, while their support keeps the conference open to the students and young professionals who need it most.

The next generation, up close

Mostly young physicians and scientists, alongside established physicians, scientists, and medical students. These are the people who will shape the next decade of biomedicine, and you meet them early.

Croatian and international reach

An audience drawn mostly from Croatia and substantially from abroad, in one bilateral gathering. Your brand travels both ways across the same network we exist to connect.

Visibility with real impact

Sponsorship keeps the conference free to attend and helps bring young talent into the room. Your support is visible on stage and online, and it is felt by the people it reaches.

SPONSORSHIP TIERS

Choose the level that *fits your goals.*

Each tier builds on the one before it, from a clear, visible presence to naming the conference itself. Prices are anchors for Plexus 2026; we are glad to tailor a package to what you want to achieve.

Supporter

Stand visibly behind the next generation of biomedicine.

PARTNERSHIP FROM

EUR 2,000

- Logo on the Plexus website
- Logo on on-site signage
- 1 conference pass

CHOOSE SUPPORTER →

- 5 conference passes

LET'S TALK →

Prices are exclusive of VAT where applicable. Tiers can be combined or tailored. To discuss a package that fits your organisation, write to PRESIDENT@MEDX.HR.

À LA CARTE

Sponsor a single *moment*.

Add-ons you can take on their own or alongside a tier. Each one attaches your name to a specific, high-contact part of the conference.

Coffee with speakers

Your name on an intimate coffee session that puts attendees beside the people on the program.

EUR 1,500

SPONSOR THIS →

Networking lunch

Host a shared lunch built for introductions, where the most useful conversations tend to start.

EUR 2,500

SPONSOR THIS →

Lanyards

Your brand on every badge in the room, worn by each participant across both days.

EUR 1,500

Student travel grant

Bring a promising student into the room who could not otherwise attend, named with your support.

EUR 1,000 / STUDENT

WHO YOU REACH

A small room, by *design*.

Plexus is networking first: lectures, panels, and fireside chats, with the speakers kept in the room and within reach. Capping the 2026 edition at 100 seats is deliberate, so a partner is present for real conversations.

01 Mostly young biomedical professionals

Young physicians and scientists, plus established physicians, scientists, and medical students.

02 Croatia and abroad, together

Mostly from Croatia, substantially from abroad, in one bilateral gathering with genuine cross-border reach.

03 2026 focus: AI in medicine

The room is centred on where medicine is heading, drawing the people most engaged with what comes next.

FOR PHARMA, MEDTECH & MISSION-ALIGNED PARTNERS

A room of young biomedical professionals, capped at 100 seats in 2026

IN GOOD COMPANY

Partners who help connect *Croatian and global* biomedicine.

Plexus is built with organisations that believe Croatian and international biomedicine grow stronger together. The tiles below are placeholders that stand in until we add our partners' real logos.
